

MEDIA STREAM

THINK OUTSIDE THE JUKEBOX

MEDIA STREAM

THE BIGGEST BANG FOR YOUR BUCK!

Instant access to millions of songs streamed in real time. Bring music to your location with Media Stream and save 80% on the cost of a digital jukebox.

JVL is proud to be the first company to introduce the next generation music "on-demand" platform. The convergence of many different innovations and technologies is music to your ears and money in the bank.

Get the most cost effective total entertainment experience - "where game and music meet".

STREAMLINE YOUR BUSINESS

THE CORE

- Millions of songs on demand
- Song library is continuously expanding and always current
- No moving parts - JVL reliability
- No contract

THE SWEETENER

- Wireless connection to our music service
- Integrates with a house audio system and can be used with a CD jukebox
- Easy set-up and installation
- Light and compact (1.9 lbs)

THE CREAM

- Smart Search
- JVL Guru - automatic suggestions triggered by your song selection
- Smart genre catalogues specific to location's musical preferences

Media Stream requires a broadband internet connection and must be paired with an ECHO to stream digital music.
